HB BINDER R1

Hybrid Binder R1

HB BINDER R-1 is Unique in design, developed for both Digital & Offset Printers which acquires minimum real estate space. R-1 helps Printers, Binders & Publishers to achieve Quality binding and quick Turn-around-Time to deliver the books in time. A 5hp Motor in Milling gives preferred cut and grooving to give even spine and 0.5hp blower reduces the noise and avoids dust on the machine. R-1's Glue tank is equipped with Two roller Spine Glue application and side glue with knurling rollers for even glue application which ensures perfect spine finish. Hand fed Nipping unit has a robust cam and heavy plates to give exact cover pasting or what we call a PERFECT BINDING.
